

Teach Real-World Experiences

Banzai is a free online education platform used by over 120,000 teachers that integrates real-world financial and life literacy into the classroom—either by allowing you to build full lesson plans around it or by supplementing your existing content.

Banzai is fully funded by your local sponsor and available at no cost to you.

Physical Workbooks

Order free workbooks to be delivered straight to your school at any time through your teacher dashboard.

Easy Setup

Sign up at banzai.org, build your online curriculum, and start using all these free resources in just a few clicks.

Interactive Learning

Banzai's interactive courses teach anything from money management to internet safety and career prep.

Real-World Application

Banzai bridges the gap between classroom learning and real-world financial decisions.

Supplemental Resources

Access a library of ready-made lesson plans, courses, workbooks, worksheets, activities, and articles that can be integrated into any curriculum.
